### Purpose

The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff at Grovedale West Primary School owe to our students and members of the school community who visit and use the school premises.

### Policy

“Duty of care” is a legal obligation that requires schools to take reasonable steps to reduce the risk of reasonably foreseeable harm, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances. .

#### External providers in the school

All external providers (eg: NDIS, visiting specialists) working in the school are required to complete the school engagement proforma accessed by contacting the school and provide their Working with Children Check. All external providers and incursion providers must be in line of sight of a member of staff at all times.
