<p>Scope</p>	<p>This policy addresses how Grovedale West Primary School aims to prevent and respond to student bullying behaviour. Grovedale West Primary School recognises that there are many other types of inappropriate student behaviours that do not meet the definition of bullying which are also unacceptable at our school. These other inappropriate behaviours will be managed in accordance with our <i>Student Code of Conduct</i> and <i>Student Wellbeing and Engagement Policy</i> and <i>Equal Opportunity policy</i>. This policy applies to all school activities, including camps and excursions</p>
<p>Policy</p>	<p><b>Definitions</b></p> <p><i>Bullying</i> occurs when someone, or a group of people, deliberately and repeatedly upset, harass, intimidate, threaten or hurt another person or damage their property, reputation or social acceptance. There is an imbalance of power in incidents of bullying, where the bully or bullies have more power than the victim due to their age, size, status or other reasons.</p> <p>Bullying may be direct or indirect, physical or verbal, and includes cyberbullying. Bullying is not a one-off disagreement between two or more people or a situation of mutual dislike. In this policy any reference to 'bullying' includes all forms of bullying including cyberbullying.</p>

	<p>Bullying can be:</p> <ol style="list-style-type: none"> <li>1. <i>direct physical bullying</i> – e.g. hitting, tripping, and pushing or damaging property.</li> <li>2. <i>direct verbal bullying</i> – e.g. name calling, insults, homophobic or racist remarks, verbal abuse.</li> <li>3. <i>indirect bullying</i> – e.g. spreading rumours, playing nasty jokes to embarrass and humiliate, mimicking, encouraging others to socially exclude a person and/or damaging a person’s social reputation or social acceptance.</li> </ol> <p><i>Harassment</i> can also constitute bullying if it amounts to a pattern of behaviour or course of conduct towards another person that is demeaning, offensive or intimidating to a person.</p> <p><i>Cyberbullying</i> is direct or indirect bullying behaviours using digital technology. For example, via a mobile phone, tablets, computers, chat rooms, email, social media, etc. It can be verbal, written or include use of images, video and/or audio.</p> <p><b>Other distressing behaviours</b>  Many distressing behaviours may not constitute bullying even though they are unpleasant. Students who are involved in or who witness any distressing behaviours should report their concerns to school staff and our school will follow the Student Wellbeing and Engagement Policy/Student Engagement Policy/ and Student Code of Conduct.</p> <p><b>Mutual conflict</b> involves an argument or disagreement between people with no imbalance of power. In incidents of mutual conflict, generally, both parties are upset and usually both want a resolution to the issue. Unresolved mutual conflict can develop into bullying if one of the parties targets the other repeatedly in retaliation.</p> <p><b>Social rejection or dislike</b> is not bullying unless it involves deliberate and repeated attempts to cause distress, exclude or create dislike by others.</p> <p><b>Single-episode acts of harassment</b>, nastiness or physical aggression are not the same as bullying. If someone is verbally abused or pushed on one occasion, they are not being bullied. Harassment, nastiness or physical aggression that is directed towards many different people is not the same as bullying. However, single episodes of harassment, nastiness or physical aggression are not acceptable behaviours at our school.</p>
