PARENT PAYMENTS POLICY 2023

Dear Parent / Carer,

Grovedale West Primary School is looking forward to another great year of teaching and learning and would like to advise you of Grovedale West Primary School's 's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all of your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a comprehensive curriculum and use of technology resources. Our Classroom Craft Activities and Specialist Subjects are detailed below and allow us to immerse students in each topic through a variety of hands on, interactive and creative experiences and opportunities.

Grovedale West Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all Parent / Carers and families.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Gretta Lynch
